

Create a Bookmark to Royal's Web Order System

iPhone and iPad

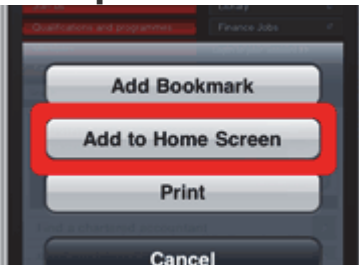

Note: These instructions may need to be adapted to your particular iPhone device. The locations of commands and buttons may differ on older versions.

1 - Go to Royal web site, then "Place An Order"

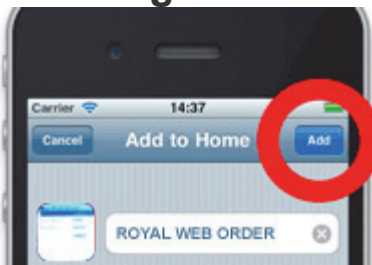

Browse to Royal's web site at www.RoyalFoodService.com. Tap "Place An Order" at the top right. From the Web Order System login page, create a bookmark by tapping on the Bookmark icon.

2 - Tap on 'Add to home screen'

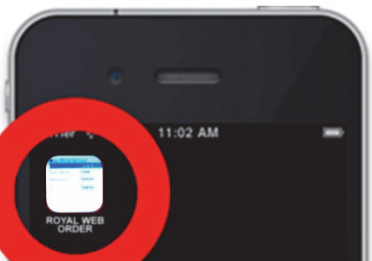

When the Bookmark options appear, tap on 'Add to Home Screen'.

3 - Change the bookmark name

Edit the Bookmark name to something simple like "Royal Web Order" and tap the 'Add' button. This now creates a Shortcut on your Home screen.

4 - Shortcut appears on Home screen

Find the Shortcut icon on your Home screen and tap to open Royal's Web Order System login web page. iPhones delete previously entered login information. You will need to re-enter your user ID and password each time.
